

⊘ Stop searching for jobs. Start searching for people who are hiring.

A step-by-step hack that 99% of job seekers don't use.

The Smartest Way to Find Hidden Job Opportunities on LinkedIn..

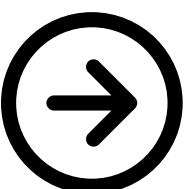

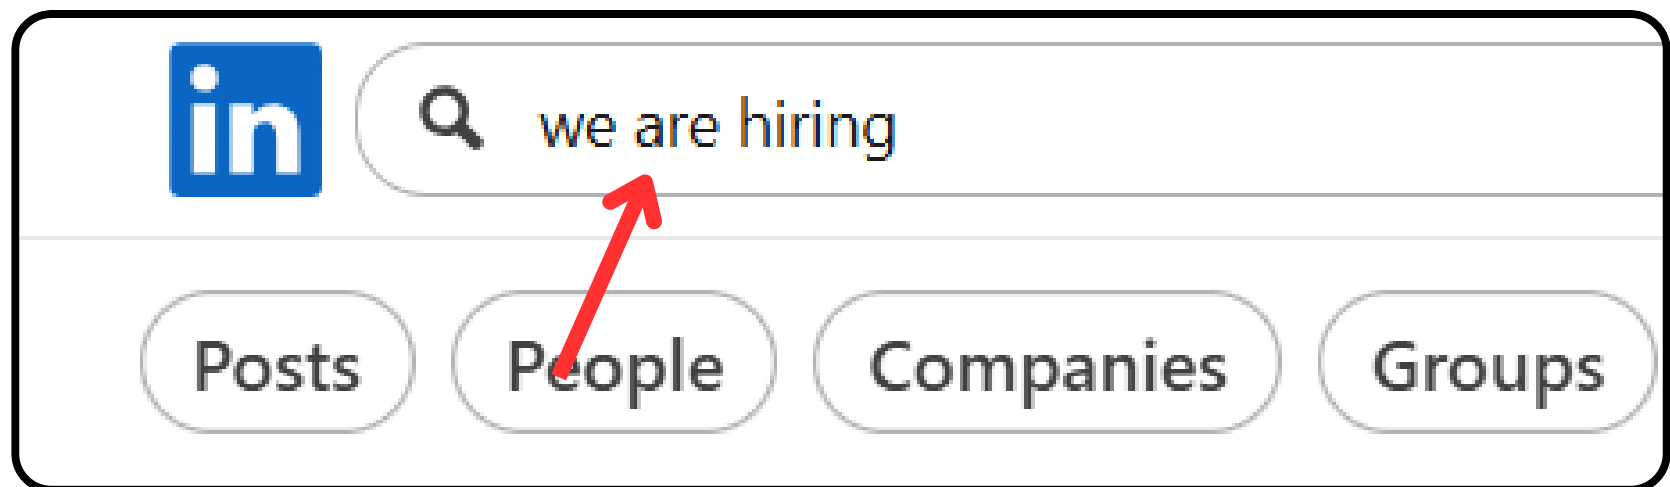

Step 1

Go to the LinkedIn search bar.

→ Type “**We’re hiring**”

This shows posts made by hiring managers and recruiters themselves.

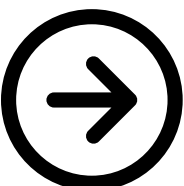

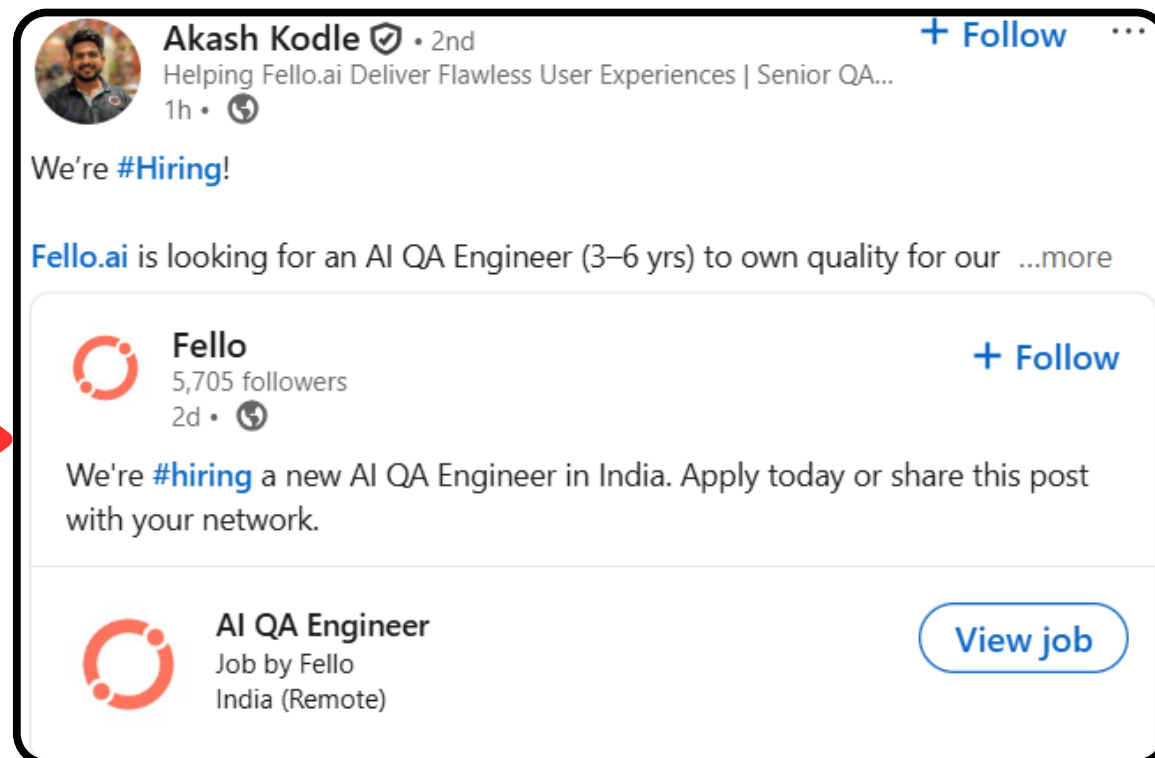

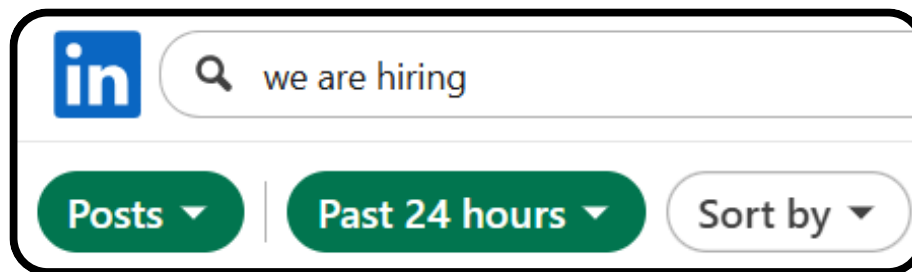

Step 2

Click on “**Posts**” tab.

Then set Date Posted → **Past 24 hours**

Now you’ll see only fresh job posts, less competition, higher chances.

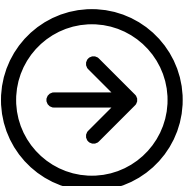

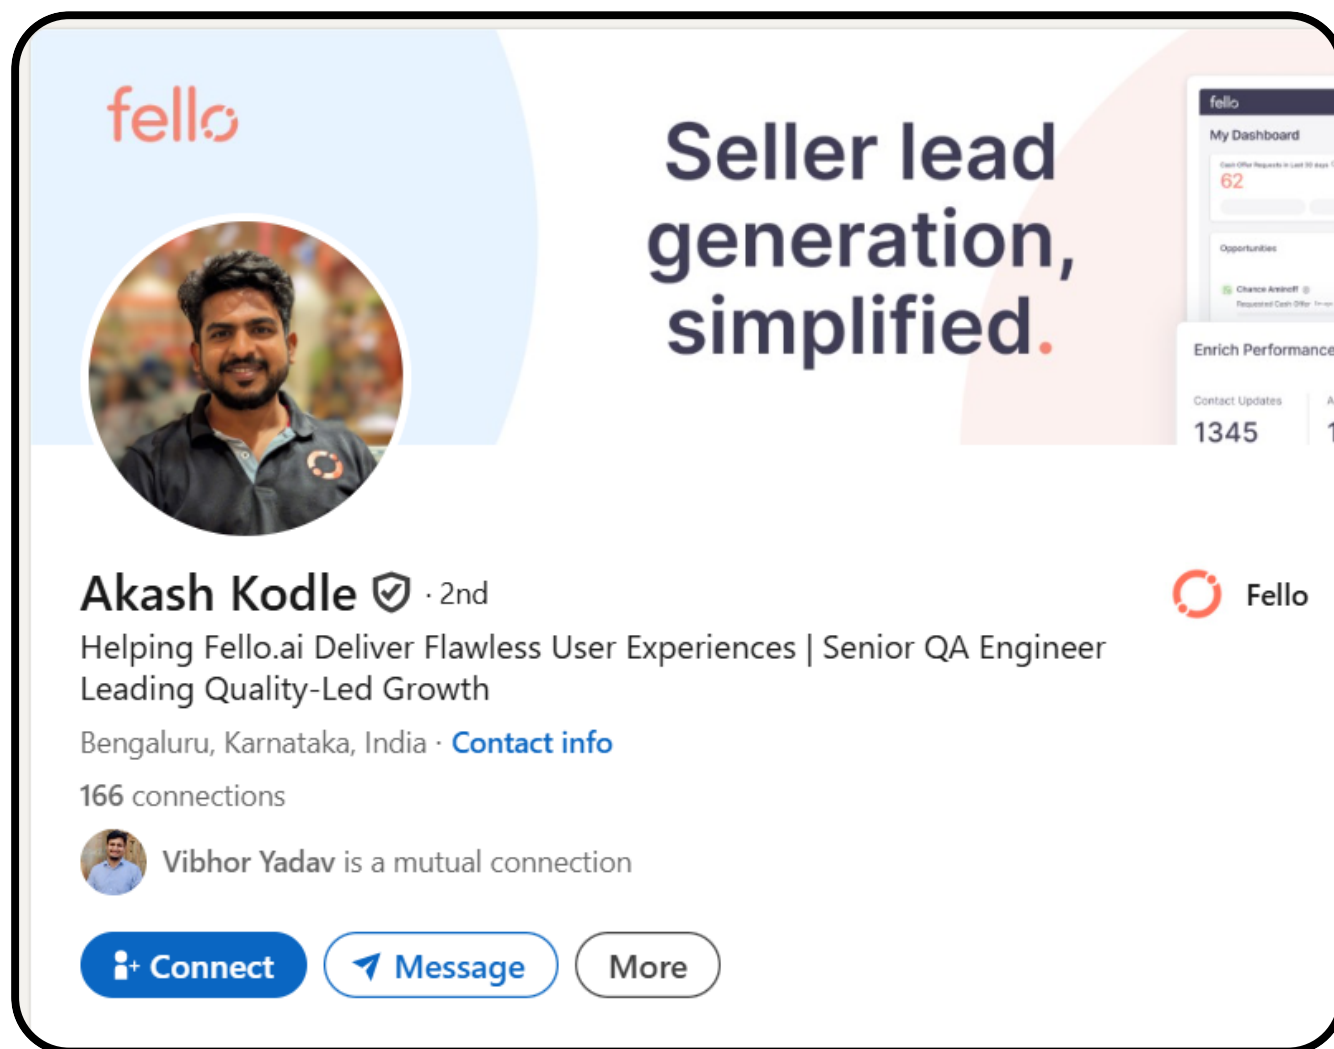

Step 3

Click on the post you find interesting.

Visit the **profile of the person** who posted it.

Usually, that's a hiring manager, team lead, or HR professional.

Step 4

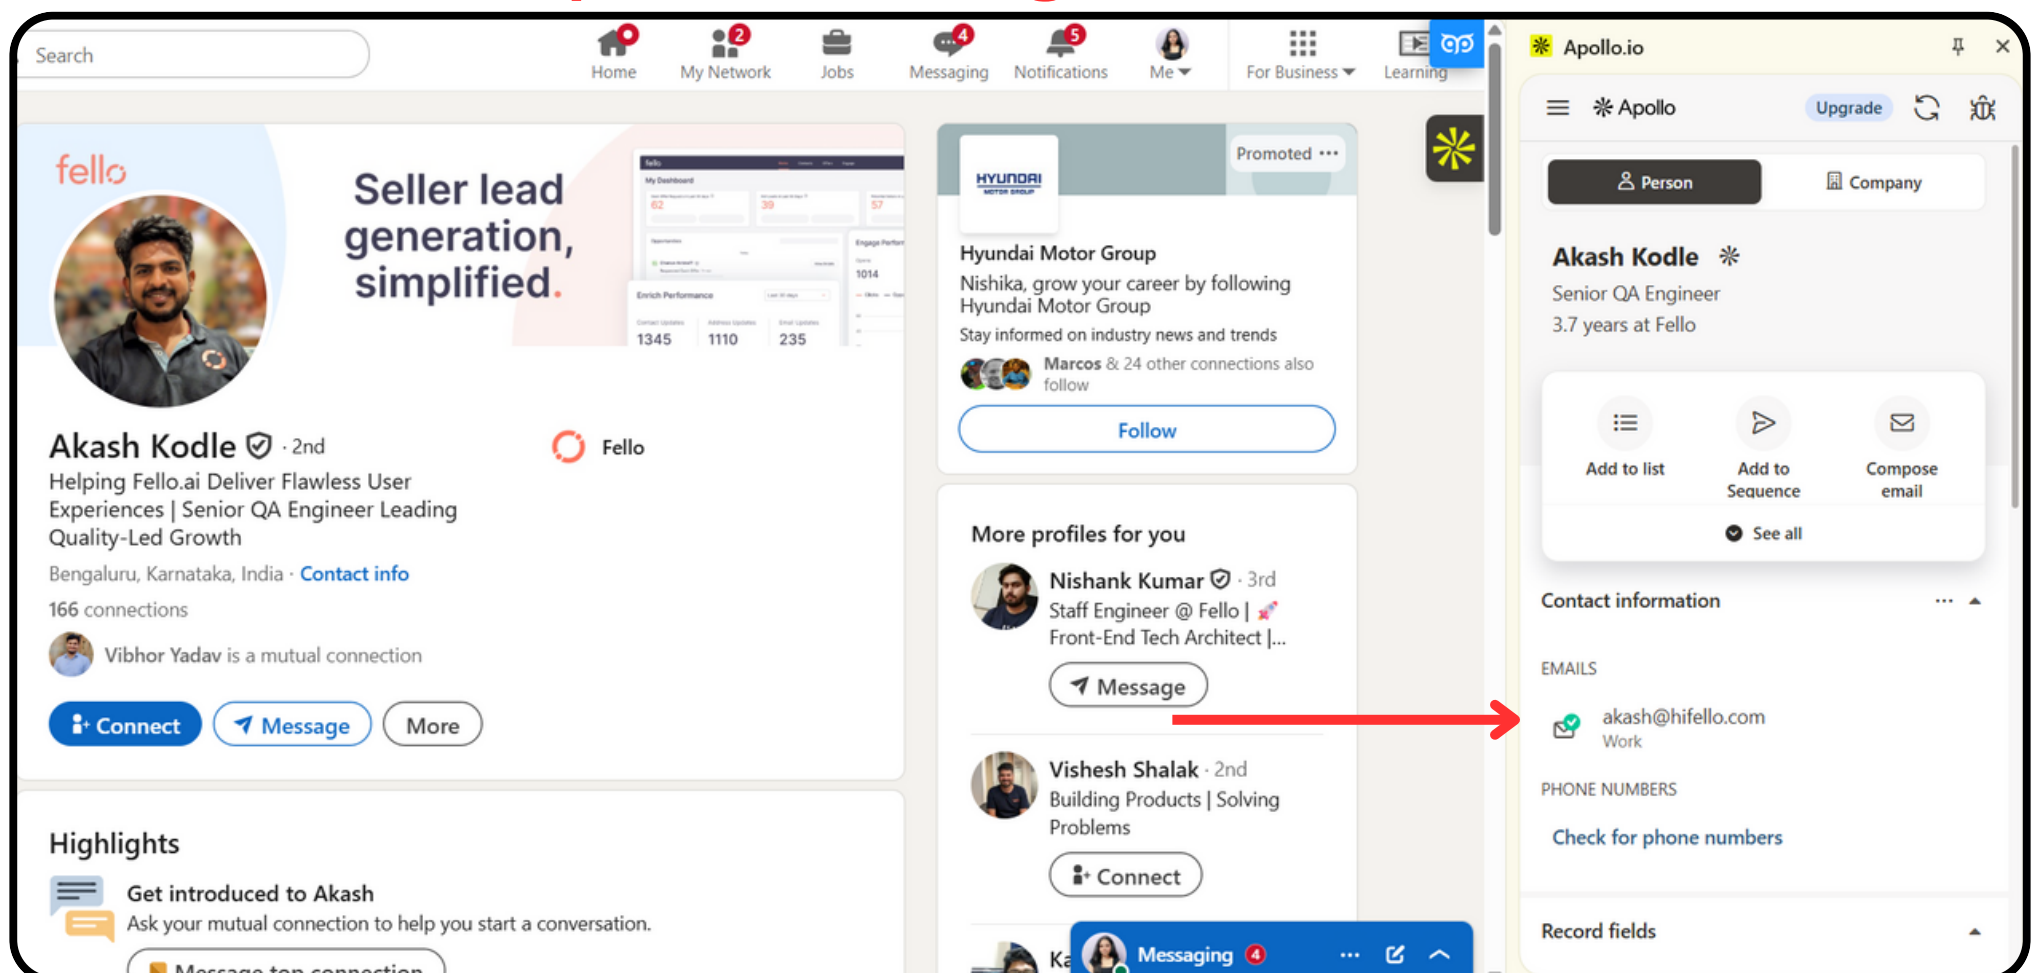

Go to Apollo.io

Search their name or company

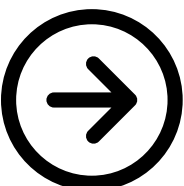

→ Get their verified email address

This is your secret weapon for direct reach

Step 5

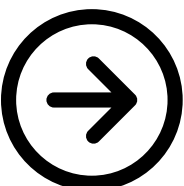

Send a short, personalized email:

- Who you are**
- Why you're a fit**
- Clear call-to-action**

Then follow up after 2–3 days with:

“Hi [Name], just checking if you got a chance to review my earlier message.”

Keep it polite, short, and consistent.

That's it. You've just learned how to:

- Bypass **job boards**
- Reach **decision-makers directly**
- Stand out from **90% of applicants**
