7. Name selection after the creator + click finish

The screenshot shows a mobile app interface with a white background and rounded corners. At the top, the text "Create a new selection" is displayed in a bold, dark gray font. Below this text is a horizontal line. Underneath the line is a rounded rectangular input field containing the text "Ken Cheng". The input field is highlighted with a black border. Below the input field are two buttons: a light gray "Cancel" button on the left and a purple "Finish" button on the right. Two black arrows point from the top text to the input field and the "Finish" button.

I've grown to 171,000 followers in just over 3 years.

But if I was starting from zero tomorrow, and I had to choose ONE tool to help me get back to 171,000 followers ASAP?

I'd choose MagicPost every day.

The screenshot shows the MagicPost website homepage. The header includes the MagicPost logo, navigation links for Pricing, About, Help Center, and Blog, a flag icon, and Login and Signup buttons. The main content area features a large headline: "Your LinkedIn AI to create standout posts 10x faster", with "10x faster" underlined in orange. Below the headline is a sub-headline: "Say goodbye to the hassle of LinkedIn content creation. Transform your ideas into engaging posts effortlessly. Meet MagicPost." A prominent purple button labeled "Try MagicPost" with a right arrow is centered. Below the button, it states "No credit card required - try it free." At the bottom, there are five circular profile pictures of users, five yellow stars, and the text "Already 20 000+ users".
