# **18 Remote Job Boards You Didn't Know About (Until Now)**

01

# FlexJobs

A paid service that curates high-quality, vetted remote job opportunities in various fields.

The screenshot shows the FlexJobs website homepage. At the top, the FlexJobs logo is followed by the tagline "FIND A BETTER WAY TO WORK". Below this is a navigation bar with links: "Find Remote, Hybrid, & Flexible Jobs", "How FlexJobs Works", "Career Advice", "Events & Webinars", "Job Search Articles", "For Employers", "Log In", and a "Sign Up" button. The main content area features a large headline: "The #1 Job Site to Find Remote Jobs-No Ads, Scams, or Junk". Below the headline is a sub-headline: "Find your next flexible, hybrid, or work from home job." and a prominent orange button that says "Find Your Next Remote Job!". To the right of the text is an image of a woman with curly hair, wearing a yellow sweater, sitting on a couch and working on a laptop. Overlaid on the image are two callout boxes: one with a star icon and the text "100k+ Jobs Available", and another with a magnifying glass icon and the text "100% Remote Jobs". At the bottom of the main content area, there is a section titled "Awesome Companies Hiring for Remote Jobs\*" with a small "File Explorer" icon next to it.

# Remotive

A remote job board with listings in development, marketing, sales, and customer support.

The screenshot shows the Remotive website homepage. At the top, there's a navigation bar with the Remotive logo, a search bar, and links for 'Find remote jobs', 'Resources', 'Log in', and 'For Employers'. The main heading is 'Find your dream remote job without the hassle', followed by a subtext: 'Remotive is where top talents go to easily access active and fully remote job opportunities from vetted tech companies.' Below this, there are several category tags: Software Development, Customer Service, Design, Marketing, Sales / Business, Product, Project Management, Data Analysis, DevOps / Sysadmin, Finance / Legal, Human Resources, QA, Writing, and All others. A search bar with the Algolia logo is also present. The bottom section features a 'Want more remote jobs?' banner, a 'Best Remote Job Listings' section, an 'Advanced Search Filters' section, and a 'Trusted by leading companies who hire on Remotive' section with logos for Stripe, Zapier, Square, and Shopify. There are also featured job listings, including one for 'Nomad Insurance By SafetyWing' and another for 'Senior Independent Software Developer'.

# Working Nomads

Provides a curated list of remote jobs in areas such as software development, marketing, and sales.

The screenshot shows the Working Nomads website interface. At the top, there's a navigation bar with the logo and links for Remote Jobs, Companies, Log in, Post Jobs, Go Premium, and Get Free Job Alerts. Below the navigation bar is a hero section with the headline "Get Hired for the Best Fully Remote Jobs" and a subtext: "Discover the 100% fully remote jobs worldwide for digital working nomads and remote workers. Whether you're seeking full-time, part-time, or contract jobs that allow you to work remotely from home or anywhere in the world, we have online remote jobs hiring now to match your preferences. Start your search today!". There are two buttons: "Find a Job" and "Post a Job". Below the hero section is a search bar with the placeholder "Job title, keyword, or company". To the left of the search results are five filter dropdowns: Location, Category, Position Type, and Salary. The main section is titled "Remote Jobs" and shows 5,301 jobs. Two job listings are visible, both for "Data Analyst - No Experience Required" at "Peropyx". The first listing is for Portugal, Contract, data analyst, and english. The second listing is for Netherlands, Contract, data analyst, dutch, and english. Both listings have a green "Administration" button and a "Featured" label.

# Toptal

A marketplace for elite freelance talent, mostly in tech and design fields, with a focus on remote work.

The screenshot shows the Toptal website homepage. At the top, there's a navigation bar with the Toptal logo, links for 'Top 3%', 'Hire Talent', 'Consulting & Services', 'Clients', 'Blog', and 'About Us'. On the right side of the header, there are buttons for 'Apply as a Freelancer', 'Hire Top Talent', and 'Log In'.

The main headline reads 'Hire the Top 3% of Freelance Talent®'. Below this, a paragraph states: 'Toptal is an exclusive network of the top freelance software developers, designers, marketing experts, finance experts, product managers, and project managers in the world. Top companies hire Toptal freelancers for their most important projects.' A green button labeled 'Hire Top Talent' is positioned below the text.

On the right side of the main content area, there's a profile card for Danielle Thompson. It features a world map with a location pin, her name 'Danielle Thompson', a green checkmark icon indicating she is a 'Verified Expert in Design', and her role 'Product Designer'. Below this, it says 'PREVIOUSLY AT Blackboard®'.

At the bottom of the page, there's a section titled 'TRUSTED BY LEADING BRANDS AND STARTUPS' which includes logos for Kraft Heinz, Bridgestone, Duolingo, Shopify, Calm, and USC. Below the USC logo, it says 'WATCH THE CASE STUDY'.
